## POLICY LAPSES

<b>Grace Period</b>	If on any monthly anniversary, the cash value minus the policy debt is insufficient to pay the monthly deduction for the upcoming month and the lapse protection is not in effect, the policy will enter the grace period. The policy owner has 61 days to cover the current and past due monthly deductions. The policy will remain in force during the grace period, but if the premium payment is not received by the end of the grace period, the policy will lapse.
<b>Catch-Up</b>	If lapse protection is lost, your clients may restore it by paying additional or higher premiums. The premiums required to restore lapse protection may be significantly higher than the premiums illustrated.

## POLICY CHANGES

<b>Increase Coverage</b>	Increases are allowed for all plans after the first policy year, but within the level face amount period.
<b>Decrease Coverage</b>	After the policy has been in force for at least three years, a decrease may be requested. The new face amount may not be less than the minimum face amount.

## POLICY OWNER INFORMATION

<b>Annual Report</b>	A personalized report is sent after each policy anniversary. The report shows: the status of the Lapse Protection Account, premium payments, cost of insurance charges, and expense charges.
<b>The Policy</b>	The policy form, including all endorsements, will provide information regarding benefits provided, premium payments, charges, determination of values, the Lapse Protection Endorsement, and other provisions and charges.
